

[Iran's Missile Operations in Boyutlar Zionist Evreleri Aklına Uratt](#)

Iran's Islamic Republic's military operations in the occupied West Bank of the State of Israel, which are aimed at the annihilation of the Jewish people, are a clear violation of international law and the UN Charter. The operations are a direct challenge to the international community and the UN, and are a clear indication of the regime's intent to commit genocide. The international community must take immediate action to stop these operations and hold the regime accountable.
